

Good Samaritan Hospital Medical Center

Catholic Health Services

At the heart of health

To whom it may Concern:

Good Samaritan Hospital Medical Center engaged with Assurgent Medical Staffing due to a need for a Director of Trauma Critical Care. This need was critical to our program and so we wanted to identify the best possible candidate as soon as possible.

We were presented candidates in a timely fashion shortly after the search was initiated, and were able to fill the position in a timely fashion. Our assigned recruiter assisted us through the closing of the process, and was in constant communication with all parties involved.

We would strongly recommend working with Assurgent Medical Staffing and will be happy to provide a reference. We continue to work with them presently on additional needs for the institution and will use them again in the future.

Thank You,

Ralph Corbino
Assistant Vice President
